

ORGANIC LAW OF GEORGIA
LOCAL SELF-GOVERNMENT CODE

Section I

LOCAL SELF-GOVERNMENT

Chapter I – General Provisions

Article 1 – Scope of the Law

This Law defines the legal grounds for exercising local self-governance, powers of local authorities, rules for their establishment and operation, regulates their finances and property, their relations with citizens, with public authorities and with entities under public or private law, and sets forth the rules for carrying out state supervision and direct state administration of the activities of local authorities.

Article 2 – Concept of local self-government

1. Local self-government is the right and ability of citizens of Georgia registered in a self-governing unit to solve, based on the legislation of Georgia, local issues through local authorities elected by them.
2. A local self-governing unit is a municipality. A municipality is a settlement (self-governing city) with administrative boundaries, or an aggregation of settlements (self-governing community) with administrative boundaries and an administrative centre. A municipality shall have elected representative and executive bodies (the ‘Municipal Bodies’), a registered population and its own property, budget and revenue. A municipality is an independent legal entity under public law.

Article 3 – Municipalities – self-governing cities and self-governing communities

1. Self-government shall be exercised in municipalities – in self-governing cities and self-governing communities.
2. A self-governing city is a settlement of an urban category that, under this Law, has been or will be assigned the status of municipality.
3. A self-governing community is an aggregation of several settlements that, under this Law, has been or will be assigned the status of municipality.

Article 4 – Primary territorial unit of settlement of population and an administrative unit of a municipality

1. The primary territorial unit of settlement of population is a settlement that has a name, administrative borders, territory and registered population. The categories of settlement shall be:

- a) a village – a settlement the boundaries of which mainly include agricultural land and other natural resources, and the

infrastructure of which is essentially focused on carrying out agricultural activities;

b) a small town – a settlement on the territory of which industrial enterprises and/or tourist and resort establishments and/or medical and socio-cultural institutions are located, and which carries out the functions of a local economic and cultural centre. A small town's infrastructure is not essentially focused on carrying out agricultural activities. A settlement may fall within the category of a small town if it is an administrative centre of a self-government unit, or if it has prospects of further economic development and population growth;

c) city- a settlement in the territory of which industrial enterprises and a network of tourist, medical and socio-cultural institutions are located, and which carries out functions of a local economic and cultural centre. A city's infrastructure is not essentially focused on carrying out agricultural activities. A settlement with a registered population of over 5 000 may fall within the category of a city. A settlement with a registered population of less than 5 000 may be assigned the category of a city if it is an administrative centre of a self-governing unit, or if it has prospects of further economic development and population growth, or if, according to Article 3(2) of this Law, it has been defined as a self-governing city.

2. Rules for the establishment and abolition of a settlement, for assigning and changing the respective category to a settlement, also for altering administrative boundaries of a settlement shall be determined by the Government of Georgia.

3. For the optimisation of governance, a municipality may be split into administrative units. The territory of an administrative unit in a self-governing community shall coincide with the territory of one or several settlements. An administrative unit in a self-governing city shall be part of the settlement.

4. Decisions on the establishment and abolition of an administrative unit of a municipality, as well as on the change of boundaries of an administrative unit of a self-governing city shall, upon recommendation of the Mayor of a municipality, or of at least one third of the members of a municipality Sakrebulo (local assembly), be taken by the municipality Sakrebulo by a majority of the total number of its members.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 51 – Casting a vote of no confidence against the Mayor

1. The procedure for casting a vote of no confidence against the Mayor may be initiated based on a written initiative of more than half of the members on the current list of the municipality Sakrebulo, or of at least 20% of the total number of constituents registered in the territory of the municipality proposing a vote of no confidence against the Mayor.
2. If the initiative proposing a vote of no confidence against the Mayor comes from the constituents, an action group shall be formed consisting of at least 10 members. The list of the action group shall include the names, surnames, places of residence and places of registration of each member. The initiative proposing a vote of no confidence against the Mayor shall be specifically formulated by the action group. The relevant initiative application shall be filed with the municipality Sakrebulo.
3. The application and the composition of the action group shall be registered by the Staff of the municipality Sakrebulo, which, according to Article 12(7) of this Law, shall ensure publication of the information.
4. A certificate of registration shall be given to the action group within 3 working days after the application for registration. An application for registration may be refused if the requirements of this Law have been violated.
5. An action group may, within 2 days after having been denied registration, appeal the refusal to the relevant district (city) court. The court shall review the case and deliver a decision within 5 days. The decision of a district (city) court may be appealed to a court of appeal within 2 days. The court of appeal shall deliver a decision within 5 days. The decision of a court of appeal shall be final and it may not be appealed.
6. An action group shall start collecting signatures from the day of receipt of a certificate of registration. The signatures shall be collected on a sheet of paper the format of which has been determined by the municipality Sakrebulo. Each such sheet of paper shall be signed by not more than 50 citizens. The citizens shall themselves put down their names, surnames, the year of birth, the number of their identification card, place of registration and the date of signature. Each sheet containing the above data shall be signed by the person responsible for collecting signatures. He/she shall indicate his/her address on the sheet. The signature of the responsible person shall be endorsed by a notary office or by a duly authorised person of the Staff of the Sakrebulo. If the Sakrebulo has not determined the relevant form of the sheet, the action group shall ensure the collection of signatures in compliance with the requirements provided in this paragraph.
7. The action group shall, not later than one month after the registration of the application, submit to the chairperson of the municipality Sakrebulo an application for initiating a vote of no confidence against the Mayor, as well as the attached signatures that confirm that the initiative is supported by at least 20% of the total number of the constituents registered in the territory of th

municipality.

8. A decision to present or refuse to present, according to paragraph 7 of this article, the initiative for review at the municipality Sakrebulo session, shall be taken by the chairperson of the Sakrebulo within 15 days after the registration of the application. The presentation of an initiative for review at a Sakrebulo session may be denied if the requirements of this article have been violated. The refusal of the chairperson of the Sakrebulo may be appealed according to paragraph 5 of this article.

9. The chairperson of the municipality Sakrebulo shall ensure the presentation of the initiative for review at a Sakrebulo session according to paragraph 7 of this article, not later than 20 days after the registration of the application. If a court finds the refusal of the Sakrebulo chairperson to take further actions with respect to the initiative as unlawful, the Sakrebulo shall review the initiative within 5 days after the court delivers a final decision.

10. The initiative of members of a municipality Sakrebulo shall be reviewed not later than 10 days after it has been presented. A vote of no confidence against the Mayor shall be considered passed if the initiative is supported by at least two thirds of the members on the current list of the Sakrebulo. Passing of a vote of no confidence against the Mayor shall result in the termination of his/her powers.

11. If a municipality Sakrebulo does not pass a vote of no confidence against the Mayor, a repeat vote of no confidence may not be taken within the next 6 months.

12. The procedure of a vote of no confidence against the Mayor may not be initiated and the vote of no confidence may not be taken within 6 months after the election of the Mayor, as well as during the last one year of the term of office of the Gangebeli/Mayor.

Article 76 – First Deputy Mayor (Vice Mayor) and Deputy Mayors of Tbilisi

1. The Mayor of Tbilisi shall have a First Deputy Mayor (Vice Mayor) and Deputy Mayors.
2. The First Deputy Mayor (Vice Mayor) and Deputy Mayors shall be appointed by the Mayor of Tbilisi with the consent of the Tbilisi Sakrebulo. A decision on the removal from office of the First Deputy Mayor (Vice Mayor) and Deputy Mayors of Tbilisi shall be taken by the Mayor of Tbilisi.
3. The Tbilisi Sakrebulo shall give its consent to the appointment of the First Deputy (Vice Mayor) of Tbilisi Mayor and of Deputy Mayors of Tbilisi by a majority of Sakrebulo members attending the Sakrebulo session, but at least one third of the total number of Sakrebulo members. If consent is not given by the Tbilisi Sakrebulo, the Tbilisi Mayor may, within 10 days, nominate the same or a new candidate. If the Tbilisi Sakrebulo fails again to give its consent, Tbilisi Mayor may appoint acting First Mayor (Vice Mayor) of Tbilisi and Deputy Mayors of Tbilisi for not longer than a 3-month term.
4. If, under the procedure prescribed by paragraph 3 of this article, the Tbilisi Sakrebulo does not give its consent to the Mayor of Tbilisi to appoint the First Deputy Mayor (Vice Mayor)/Deputy Mayor of Tbilisi, the Mayor of Tbilisi shall be obliged to present, within the next 3 months, to the Tbilisi Sakrebulo a new candidate for the First Deputy Mayor (Vice Mayor)/Deputy Mayor of Tbilisi. In that case, the procedure provided for by paragraph 3 of this article shall apply. If the Tbilisi Sakrebulo does not give its consent, a person who, under paragraph 3 of this article, has once already acted as the First Deputy (Vice Mayor) of Tbilisi/Deputy Mayor of Tbilisi, may not be appointed again as the acting First Deputy (Vice Mayor) of Tbilisi/Deputy Mayor of Tbilisi.
5. The procedures referred to in paragraphs 3 and 4 of this article shall continue until the First Deputy (Vice Mayor) of Tbilisi and Deputy Mayors of Tbilisi are appointed.
6. The Deputy Mayor of Tbilisi shall, according to the allocated functions, manage the sectors falling within the powers of the executive bodies of Tbilisi; organise and monitor the execution of decisions of the Tbilisi Sakrebulo, of the Mayor and of the Government of Tbilisi; issue individual administrative-legal acts within his/her powers; exercise other powers provided for by the Statute of the Tbilisi City Hall and by the rules of procedure of the Government of Tbilisi.
7. Issues relating to the incompatibility of office of Deputy Mayors of Tbilisi, to the suspension and termination of their powers, shall be determined according to Articles 58 and 59 of this Law.

Article 77 – Structural units of the Tbilisi City Hall

1. The structural units of the Tbilisi City Hall shall be established in the manner prescribed by this Law, in accordance with the Statute of the Tbilisi City Hall or relevant amendments to that Statute in order to ensure the management of the socio-economic fields falling within the powers of the Government and the operation of the Tbilisi City Hall.
2. The head of a structural unit of the Tbilisi City Hall shall be appointed by the Mayor of Tbilisi with the consent of the Tbilisi Sakrebulo. A decision on the removal from office of the head of a structural unit of the Tbilisi City Hall shall be taken by the Mayor of Tbilisi. Article 85² – General Assembly of a settlement

1. A general Assembly of a settlement (‘the General Assembly’) shall be a form of citizen participation in the self-organisation of the population of a village/small town/city, and in the exercise of local self-government that ensures active engagement of the constituents registered in the relevant settlement in the discussion and solution of those issues that are important to that settlement and municipality, and in the process of initiation of the above issues before the municipal bodies.

2. The name of the General Assembly shall consist of the name of the category of the respective settlement (village/small town/city), of the name of the settlement and a common name (‘general assembly’).

3. Members of the General Assembly shall be the constituents registered in the respective settlement. The owner of the immovable property in the territory of the relevant settlement, and any other adult person residing in that settlement may also participate in the General Assembly with a deliberative vote.

4. This Law defines the powers of the General Assembly, the procedure for its convening and operation for a settlement where the number of registered constituents does not exceed 2 000.

5. In the case of a settlement where the number of registered constituents exceeds 500, a procedure for convocation of the General Assembly in individual areas of the settlement on a stage-by-stage basis may be introduced. The procedure for holding the General

Assembly in certain parts of a settlement and its rules of operation shall be determined by the municipality Sakrebulo, according to Article 85⁵(6).

6. In a settlement where the number of registered constituents exceeds 2 000, the municipality Sakrebulo may, in accordance with paragraph 5 of this article, determine, by a resolution of the municipality Sakrebulo, the powers of the General Assembly, the procedure for its convening and operation, also create several General Assemblies in that settlement, and taking into account this Law, determine their powers, names and rules of operation.

7. In order to carry out and promote its activities, the General Assembly may elect the Chairperson from among its members. A candidate for Chairperson of the General Assembly may be nominated by not less than 5% of the members of the General Assembly concerned.

8. The Chairperson of the General Assembly shall preside over the General Assembly, ensure the submission of its decisions to the appropriate municipal bodies, and also perform individual assignments of the General Assembly.

9. The term of office of the Chairperson of the General Assembly shall last until the next meeting of the General Assembly. The powers of the Chairperson of the General Assembly shall be automatically extended if the next General Assembly does not elect a new Chairperson of the General Assembly. The powers of the Chairperson of the General Assembly may be automatically extended not more than 5 times in succession.

10. Men and women shall have equal opportunity to participate in the work of the General Assembly.

Article 85⁴ – Procedure for convening the General Assembly of a settlement

1. The General Assembly may be convened by:

- a) at least 5% of the constituents registered in the relevant settlement;
- b) the Mayor of the municipality – on his/her own initiative or upon the motion of the municipality Sakrebulo;
- c) the Chair of the General Assembly.

2. In cases stipulated by paragraph 1(a) of this article, an initiative group composed of at least 3 constituents registered in the respective settlement shall be established for the initiation of the calling of the General Assembly. The initiative group shall submit an application to the Mayor of the municipality for the registration of the initiative to convene the General Assembly. The application shall include the name, surname, address, contact phone details (if any) of a member of the initiative group. The application shall be accompanied by copies of the identity documents of the members of the initiative group, and the agenda of the General Assembly. The issues included in the agenda of the General Assembly shall be specifically formulated by the initiative group.

3. The composition of the initiative group and the initiative to convene the General Assembly shall be registered by the City Hall. A certificate of registration of the initiative shall be issued to the initiative group by the Mayor of the municipality, or by an officer authorised by the Mayor, within 3 work days after filing the application.

4. The information on the composition of the initiative group and on the registration of the initiative to convene the General Assembly, as well as the agenda of the General Assembly shall be published according to Article 85¹(4) of this Law.

5. Registration may be refused if the requirements of this Law have not been met, and/or if the discussion of, and decision-making on, the issues included in the agenda of the General Assembly do not fall within the powers of the municipality or of the General Assembly.

6. A member of the initiative group may appeal the refusal of the Mayor of the municipality, or of the officer duly authorised by the Mayor, to register the initiative according to the General Administrative Code of Georgia.

7. From the day of receiving the certificate of registration, the initiative group shall start drafting a list of the constituents who desire to initiate the convening of the General Assembly. The list shall include the name, surname, birth date (day, month and year), and the personal identity number of a citizen of Georgia, place of registration and signature of the constituent registered in the relevant settlement. Each sheet of the list shall be signed by a member of the initiative group.

8. Not later than 1 month after the day of receipt of a certificate of registration, the initiative group shall submit to the Mayor of the municipality an application for the convening of the General Assembly. The application shall indicate the date, time and place of the convening of the General Assembly (within the territory of the settlement). The application shall be accompanied by the signatures of at least 5% of the constituents registered in the settlement; the signatures shall be collected in the manner prescribed by paragraph 7 of this article.

9. The day of the convening of the General Assembly shall not earlier than the 15th day from the day of filing the application provided for by paragraph 8 of this article.

10. The General Assembly shall be authorised to meet in the case of receipt of a certificate of registration of the information on the

date, time and place of convening the General Assembly. A certificate of registration shall be issued by the Mayor of the municipality, or by an officer authorised by him/her, within 5 working days after the application is submitted. Registration may be refused if the requirements of this Law have not been met. A refusal of the Mayor of the municipality or of an officer authorised by him/her to register the application may be appealed according to paragraph 6 of this article.

11. Information on the agenda and date, time and place of convening of the General Assembly shall, according to Article 85¹(4) of this Law, be published within 3 days after the registration of the information.

12. In cases provided for by paragraph 1(c) of this article, the initiative to convene the General Assembly shall not require registration by the City Hall. In that case, information on the agenda and date, time and place of convening of the General Assembly shall be registered in the manner prescribed by paragraphs 8-11 of this article, except for the procedure for submitting a list of constituents who desire to initiate the convening of the General Assembly.

13. The Mayor of a municipality may initiate the convening of the General Assembly in compliance with the requirements of paragraphs 4, 9 and 11 of this article. The municipality Sakrebulo shall define the procedure for convening the General Assembly by the Mayor of the municipality upon the request of the municipality Sakrebulo. The Mayor of a municipality may not include in the agenda of the General Assembly the election of the Chair of the General Assembly.

14. In a settlement where the Chair of the General Assembly has been elected, the Mayor of the municipality shall be obliged to ensure, on his/her own initiative, the convening of the General Assembly at least twice a year.

15. The General Assembly shall be convened, and the information referred to in paragraph 11 of this article shall be disseminated in the respective settlement by the City Hall and the initiative group, as well as by the Chair of the General Assembly (if any).

Article 85⁵ – Rules of operation of the General Assembly of a settlement

1. The General Assembly shall be duly constituted if it is attended by at least 20% of its members. The registration of the members of the General Assembly attending the General Assembly shall be organised by the initiative group and/or by the authorised officer of the City Hall, and/or by members of the General Assembly. At registration, the name, surname, birth date (day, month and year), personal identity number of a citizen of Georgia, place of registration and signature of a member of the General Assembly shall be indicated.

2. If the General Assembly is convened on the grounds referred to in Article 85⁴(1)(a) of this Law, its activities shall be directed by a member of the initiative group whose signature is indicated first in the application, and in his/her absence, by any other member of the initiative group, or with the consent of the initiative group, by the authorised officer of the City Hall. If the General Assembly is convened on the grounds referred to in Article 85⁴(1)(b) of this Law, its activities shall be directed by the authorised officer of the City Hall. In a settlement where the Chair of the General Assembly has been elected, the General Assembly activities shall be directed by the Chair of the General Assembly.

3. Minutes of the General Assembly shall be drafted by the secretary of the General Assembly. If the General Assembly is convened on the grounds referred to in Article 85⁴(1)(a) of this Law, the functions of the secretary of the General Assembly shall be performed by a member of the initiative group, and if the General Assembly is convened under Article 85⁴(1)(b) of this Law, then by the authorised officer of the City Hall. In a settlement where the Chair of the General Assembly has been elected, the functions of the secretary of the General Assembly shall be performed by the Chair of the General Assembly or by the duly authorised person.

4. The General Assembly shall adopt decisions by a majority of votes of its members present at the General Assembly. The voting shall, as a rule, be held by raising hands. The members of the General Assembly shall be notified of the form of voting by the person specified in paragraph 2 of this article. By decision of the General Assembly, another form of voting may be established. When the General Assembly is held on a stage-by-stage basis in individual parts of a settlement, all votes of the members of the General Assembly present shall be summed up, unless otherwise provided for by the resolution of a municipality Sakrebulo stipulated by paragraph 6 of this article.

5. Minutes of the General Assembly shall be drafted at the General Assembly. The minutes of the General Assembly shall indicate the date and place of holding the General Assembly, the number of the minutes, issues discussed by the General Assembly, and

decisions taken, as well as the number of members of the General Assembly present, and if necessary, any other information. The minutes of the General Assembly shall be signed by the persons determined by paragraphs 2 and 3 of this article. A copy of the minutes of the General Assembly shall, within 7 days after the holding of the General Assembly, be submitted to the City Hall by the person determined by paragraph 2 of this article.

6. The municipality Sakrebulo shall, under a resolution, approve the standard statute of the General Assembly. The standard statute of the General Assembly and this Law shall regulate other issues relating to the convening of the General Assembly, the procedure for holding the General Assembly in certain parts of a settlement, for initiating issues, for their discussion and voting at the General Assembly, the rights and obligations of the secretary and the Chair of the General Assembly, and the procedure for the election of the Chair of the General Assembly. According to this Law and any other legislative and normative acts of Georgia, the standard statute of the General Assembly may also determine any other issues relating to the activities of the General Assembly.

Article 86 – Petition

1. A petition may be filed by the following entities:

- a) at least 1% of the constituents registered in the territory of a municipality;
- b) the General Assembly.

2. A municipality Sakrebulo may grant the right to file a petition to a lesser number of constituents registered in the territory of the municipality.

3. By decision of the General Assembly, a petition shall, on behalf of the General Assembly, be filed by the Electee of and/or by a person authorised by the General Assembly.

4. A petition shall be drafted and filed to the attention of the chairperson of the municipality Sakrebulo. The following documents may be submitted in the form of a petition:

- a) a draft normative administrative-legal act;
- b) basic principles or specific proposals of a draft normative administrative-legal act that is to be prepared;
- c) based on problems common to a municipality and/or to a settlement, a request for the examination, discussion and solution of respective issues at a session of the municipality Sakrebulo.

5. A petition shall include:

- a) the text of the application;
- b) the name, surname, address, contact phone (if any) and a copy of the identity card of a citizen of Georgia of the speaker(s) (not more than three) of the entity who files the petition;
- c) the date of filing the petition;
- d) in cases provided for by paragraph 1(a) of this article, a list of the constituents filing the petition who are registered in the territory of the respective municipality;
- e) in cases provided for by paragraph 4(a) of this article, a draft normative administrative-legal act, and in cases provided for by paragraph 4(b) of this article, basic principles or specific proposals of a normative administrative-legal act that is to be drafted;
- f) in cases provided for by paragraph 4(c) of this article, a specifically formulated request and respective substantiation.

6. The list of the constituents filing a petition who are registered in the territory of the respective municipality shall include the

following details: the name, surname, birth date (day, month and year), and personal identity number of a citizen of Georgia, place of registration and signature of a constituent registered in the territory of the respective municipality.

7. A petition shall be registered by the Staff of the municipality Sakrebulo. It shall ensure that the petition is published according to Article of 85¹(4) this Law.

8. The speaker(s) of the entity filing a petition shall be given a certificate of registration of the petition within 3 working days after applying for its registration. Registration may be refused if the requirements of this Law have not been met, and/or if the decision-making on the issue indicated in the petition does not fall within the powers of the municipality.

9. The speaker(s) of the entity filing a petition may appeal the refusal to register a petition to a court, in accordance with the legislation of Georgia.

10. A municipality Sakrebulo shall discuss a petition provided for by paragraph 4(a) of this article and make a respective decision in accordance with the procedure determined by this Law and the rules of procedure of the municipality Sakrebulo for adopting a resolution of a municipality Sakrebulo.

11. A petition provided for by paragraph 4(b) or (c) of this article shall, by decision of the bureau of a municipality Sakrebulo, within 7 days after its registration, be submitted for examination to the respective commission of the municipality Sakrebulo, or to the municipality Sakrebulo with a proposal to set up a working group of the municipality Sakrebulo, or this petition shall be submitted for discussion to the Mayor of the municipality according to the jurisdiction. Within a month after the bureau of a municipality Sakrebulo forwards a petition, the municipality Sakrebulo shall make a decision on the expediency of setting up a working group of the municipality Sakrebulo for the purpose of examining the petition, or forward the petition to the respective commission of the municipality Sakrebulo.

12. The commission or the working group of a municipality Sakrebulo shall, within 15 days after receiving a petition in the manner prescribed by paragraph 11 of this article, discuss the petition and make one of the following decisions:

a) to consider it reasonable to prepare a draft resolution of the municipality Sakrebulo in accordance with the petition;

Section V

MUNICIPAL BUDGET AND ECONOMIC BASICS

Chapter XII – Municipal Budget

Article 89 – Municipal Budget

1. A municipal budget is a combination of receivables, payables and changes to the balance approved by the municipality Sakrebulo and used for the purpose of performing the functions and obligations of the municipality.

2. The procedure for drafting, submitting, discussing, adopting, amending, executing, reporting and monitoring a municipal budget shall be determined by this Law, the Budget Code of Georgia and other normative acts.

Article 90 – Independence of a municipal budget

1. A municipal budget shall be independent from the budgets of other municipalities, as well as from the budgets of the autonomous republics and of the State.

2. The independence of a municipal budget shall be ensured by its own receipts and by the power to independently determine the payables for the exercise of its own powers.

Article 91 – Discussion and approval of a draft municipal budget

1. Not later than 15 November of each year, the Mayor of a municipality shall submit a draft budget of the municipality for the next year, along with the attached materials, to the municipality Sakrebulo, in accordance with this Law and the Budget Code of Georgia.
2. The municipality Sakrebulo shall publish a draft municipal budget for public comment within 5 days after it has been submitted.
3. A municipality Sakrebulo shall publicly discuss a draft budget, and before the beginning of a new budgetary year, adopt a decision, by a majority of the the members on the current list, on the approval of the draft municipal budget.
4. If there are any comments, the Municipality Sakrebulo shall, not later than 25 November, return the draft budget with the attached comments to the Mayor of the municipality.
5. Not later than 10 December, the Mayor of the municipality shall submit the same or the modified version of the draft budget to the municipality Sakrebulo.
6. During the discussion of a draft budget by the municipality Sakrebulo, the draft budget may be amended only in agreement with the Mayor of the municipality.
7. If the municipality Sakrebulo does not approve the revised version of the draft budget submitted by the Mayor of the municipality, or the original version of a draft budget, in the case where the Mayor does not approve the comments of the Sakrebulo, the Municipality Sakrebulo may, with three fifths of the members on the current list, approve the draft budget initiated by a faction of the municipality Sakrebulo or by at least one third of the members on the current list of the municipality Sakrebulo. This draft version shall reflect only the comments, or part of the comments, submitted by the Sakrebulo to the Mayor in accordance with paragraph 4 of this article.
8. If a draft municipal budget is not approved before the beginning of the planning year, the Mayor of the municipality may allocate sums every month for each priority in an amount that does not exceed one twelfth of the amount of allocations of the previous budget year. If a draft municipal budget is not approved within 3 months after the beginning of a new budget year, the Government of Georgia shall, in the manner prescribed by this Law, prematurely terminate the powers of the Sakrebulo and of the Mayor of the municipality.
9. An annual budget shall be published and shall be available to the public.

Organic Law of Georgia No 4087 of 22 July 2015 – website, 4.8.2015

Article 106 – Municipal property

1. Municipal property shall be all items and non-material goods owned by a municipality in accordance with the legislation of Georgia.
2. Municipal property shall include:
 - a) the property assigned to a municipality by law;
 - b) the property transferred by the State to the ownership of a municipality;
 - c) the property transferred by an autonomous republic to the ownership of the relevant municipality;
 - d) the property that has been created, acquired or registered by a municipality according to the legislation of Georgia.
3. Municipal property shall be divided into two categories – core (undisposed) assets and additional property.
4. Core (undisposed) assets shall be the basis for the exercise of the powers of a municipality. Core assets may be used only for carrying out public functions and for the exercise of the powers of a municipality.

5. Additional property shall be the property that is not part of the core (not alienated) assets, and that may be used by a municipality in the manner prescribed by the legislation of Georgia.
6. The list of the types of the core (undisposed) assets that are to be transferred by the State to municipalities shall be approved by the Government of Georgia upon the recommendation of the Ministry of Economy and Sustainable Development of Georgia.
7. It shall be prohibited to alienate the core (undisposed) assets of a municipality, except for cases stipulated by Article 121 of this Law. Additional property may be alienated in the manner prescribed by this Law and by other legislative and subordinate normative acts of Georgia.

Article 106¹ – Legal person under private law of a municipality (municipalities)

1. A municipality may, exclusively within the scope of its powers, establish a joint stock company, a limited liability company, and a non-entrepreneurial (non-commercial) legal entity under the legislation of Georgia. A municipality may also become a partner/shareholder/member of a joint stock company, a limited liability company, and a non-entrepreneurial (non-commercial) legal entity. A municipality is a founder/partner/shareholder/member of a legal entity under private law.
2. To carry out joint activities, municipalities may, according to this Law and any other legislative and subordinate acts of Georgia, jointly establish a joint stock company, a limited liability company, a non-entrepreneurial (non-commercial) legal entity, or become partners/shareholders/founders of joint stock companies and limited liability companies, and members of non-entrepreneurial (non-commercial) legal entities established by other persons, including by a municipality/municipalities.
3. Paragraphs 7, 13 and 15 of this article shall apply only to the enterprise of a municipality/municipalities in which the participatory interest of the municipality/municipalities exceed 50%, as well as to a non-entrepreneurial (non-commercial) legal entity established by a municipality/municipalities, and to the non-entrepreneurial (non-commercial) legal entity the member(s) of which is (are) only a municipality/municipalities, except for the legal entity provided for by Article 20 of this Law. Issues relating to the property of any other enterprise or non-entrepreneurial (non-commercial) legal entity of a municipality/municipalities shall be determined by the statute (charter) of the respective legal entity under private law. This article shall not apply to non-entrepreneurial (non-commercial) legal entities established according to Article 20 of this Law. Issues relating to the activities of said legal entity shall be determined by its statute (charter).
4. A decision on the establishment, reorganisation and liquidation of a legal person under private law, or on the acquisition of interest/shares of a joint stock company or of a limited liability company, or on joining a non-entrepreneurial (non-commercial) legal entity shall be taken by the executive body of the municipality with the consent of the municipality Sakrebulo. The municipality Sakrebulo shall approve the reasonableness of taking the decision referred to in this paragraph, which does not mean the approval of the application for registration and of the enclosed documents provided for by the legislation of Georgia.
5. The powers of a partner/share holder of an enterprise of a municipality /municipalities shall be exercised by the respective executive body/bodies of the municipality/municipalities. A municipality executive body as a partner/share holder, shall be entitled to make a decision on making changes to the capital of an enterprise of the municipality/municipalities, including on contributing interest, shares, and monetary funds, on the transfer of property with the right to use/with the right of ownership to an enterprise of the municipality/municipalities. The municipality executive body shall also be entitled to approve the statute (charter) of the respective legal person and exercise any other powers of a partner/shareholder as provided for by the legislation of Georgia. In an enterprise of a municipality in which the participatory interest of the respective municipality does not exceed 50%, the respective executive body of the municipality shall participate as a partner/shareholder in the making of the decision referred to in this paragraph. In that case, a decision shall be taken according to the statute (charter) of the respective enterprise.
6. The powers of the founder of a non-entrepreneurial (non-commercial) legal person of a municipality (municipalities) shall be exercised by the respective executive body (bodies) of the municipality (municipalities). A municipality's executive body, as a founder/member, shall be entitled to make decisions on the transfer of financial resources and movable property with the right to use/with the right of ownership to a non-entrepreneurial (non-commercial) legal entity of a municipality/municipalities, on the transfer of immovable property for use, approve the statute (charter) of the respective legal entity, and exercise any other powers prescribed by the legislation of Georgia. In the case of a non-entrepreneurial (non-commercial) legal entity of a municipality where one of the founders/members is a respective municipality, the respective executive body of a municipality shall participate as a founder/member in the making of the decision referred to in this paragraph. In that case, a decision shall be taken according to the statute (charter) of the respective legal entity.
7. The fixed assets of a legal entity under private law of a municipality/municipalities, except for the alienation of property according to paragraph 11 of this article, and for the property acquired/obtained in cases stipulated by Articles 104(2-3) and 118(2) of this Law, shall be alienated thorough a public or electronic auction.

8. The fixed assets of a legal entity under private law of a municipality/municipalities shall be transferred with a right to use through an auction or by way of direct disposal. The fixed assets may be transferred with a right to use by way of direct disposal with or without charge, conditionally or unconditionally.
9. The property of a legal person under private law of a municipality/municipalities may be transferred without an auction, with a right to use, free of charge, for not more than a 2-year term, except for the cases stipulated by paragraph 11 of this article.
10. The rules for the alienation or transfer with a right to use of fixed assets of a legal entity under private law of a municipality, the rules for the determination of the initial cost of property, of the cost and of the initial cost of rent during the transfer of property with a right to use, as well as the rules of payment, shall be approved by the municipality Sakrebulo, with a resolution, upon recommendation of the Mayor of the municipality, taking into consideration the rules for the privatisation of municipal property, for the transfer of property with a right to use and with a right of management, as well as the rules for the determination of the initial cost of privatisation during the privatisation of property, rules for the determination of the cost and initial cost of rent during the transfer of property with a right to use and rules of payment.
11. The property of a legal entity under private law of a municipality/municipalities may be transferred without an auction, with a right to use, to the respective municipality, to public authorities and to the bodies of the autonomous republics, to another municipality, to a legal entity under public law (except for political parties), to a non-entrepreneurial (non-commercial) legal entity established by a municipality/municipalities, to an enterprise in which more than 50% of the participatory interest or shares are owned by a municipality/municipalities, or to a legal entity under private law established by this legal entity under private law. The property of a legal entity under private law of a municipality/municipalities may be transferred without an auction to the ownership of a relevant municipality/municipalities. A decision on the transfer of the property of a legal entity under private law of a municipality/municipalities with a right to use shall, under this paragraph, be taken by the municipality's executive body, as the founder/partner/shareholder/member of the legal entity, according to this Law and the statute (charter) of the respective legal entity.
12. A decision to alienate or transfer with a right to use of the fixed assets of a legal entity under private law of a municipality/municipalities shall, under this paragraph, be taken by the municipality's executive body, as the founder/partner/shareholder/member of the legal entity, according to this Law and the statute (charter) of the respective legal entity. When alienating the property of a non-entrepreneurial (non-commercial) legal entity of a municipality/municipalities, the requirement of Article 36 of the Civil Code of Georgia shall be observed, except for the case stipulated by paragraph 11 of this Law.
13. A decision on the appointment/dismissal of a person authorised to manage/represent a legal entity under private law of a municipality/municipalities shall, according to the statute (charter) of the respective legal entity, be taken by the municipality's executive body as the founder/partner/share holder/member of the legal entity under private law.
14. The municipality Sakrebulo may, upon the recommendation of the municipality's executive body, regulate, according to other legislative and subordinate acts of Georgia, other issues relating to the management of the property of a legal entity under private law of a municipality that need to be regulated by a normative act.
15. A municipality Sakrebulo may include in its rules of procedure a procedure for submitting a report on the work performed by a person authorised to manage a legal entity under private law of the municipality.
16. Other issues relating to the management of property, financing, control, appointment of the executives of a legal entity under private law of a municipality provided for by paragraph 2 of this article, including the procedure for decision-making by the founders/partners/shareholders/members which is not regulated under this Law, shall be regulated by an agreement (statute/charter) of the founders/partners/shareholders/members.
17. The powers of an executive body of Tbilisi prescribed by this article, except for the cases stipulated by paragraphs 4 and 13 of this article, may also be exercised by the respective legal person under public law of Tbilisi in cases and in the manner provided for by the statute (charter) of this legal entity under public law.

Article 107 – Property assigned to a municipality under this Law

1. Under this Law, the following property existing in the territory of a municipality shall be assigned to the municipality:

a) local roads and their sections, streets, underground and overground crossings, pavements, traffic lights, street lightings, squares, public gardens, boulevards, fountains, parks, green plantings and coast-protecting structures;

b) non-agricultural land, except for:

b.a) privately owned land;

b.b) the land to which public property, and the property created with the State's participation, is fixed;

b.c) the land subject to the fixation to the property (public property and the property created with the State's participation) determined by sub-paragraph (b.b) of this paragraph in the manner prescribed by the legislation of Georgia;

c) the land fixed to the municipal-owned facilities, including the facilities stipulated by sub-paragraph (a) of this paragraph;

d) local forests and water resources;

e) agricultural land, except for cases provided for by paragraph 2 of this article.

2. The following agricultural land shall not be considered as the property of a municipality:

a) the agricultural land, including pastures, that has been registered as private or state property;

b) the non-registered agricultural land for which an application for registration as state property has been filed in the manner prescribed by paragraph 3 of this article, except for cases provided for by paragraph 4 of this article;

c) the non-registered agricultural land existing in the territory of a municipality;

d) the routes for driving cattle;

e) the agricultural land located in a 500m long borderland;

f) the land of state reserves, natural monuments, national parks and sanctuaries;

g) the land designated for historical, cultural, natural and religious monuments of state importance;

h) the land of the state forest fund;

i) the land transferred in the form of usufruct or with a right to use to the institutions and legal entities under public law financed from the state budget and from the budget of an autonomous republic of Georgia;

j) the land of the state water fund.

3. Unless otherwise provided for by law, a municipality's property right with respect to unregistered agricultural land that is located in its territory shall arise based on the application, in the prescribed manner, to the respective registering agency and the registration of the rights, which shall not deprive the State of its right to register the unregistered agricultural land as public property.

4. If the State and a municipality simultaneously apply to the respective registering agency for the registration of the same land or part of that land, the application that has been registered earlier shall be satisfied. If the applications have been filed on the same day, the application of a municipality shall be satisfied.

Article 112 – Transfer of State-owned property into the ownership of a municipality

The State shall, in the manner prescribed by Article 113 of this Law, transfer to a municipality the property that is required for the exercise by the municipality of its own powers as determined by this Law.

Article 113 – Gratuitous transfer of the state-owned property to the ownership of a municipality

1. State-owned property shall be transferred to the ownership of a municipality by a property administrator based on a justified request of the Mayor of the municipality.
2. The property administrator shall make a reasoned decision on the request made by the body referred to in paragraph 1 of this article, and inform the applicant in writing of the decision within 45 days after the request has been filed. A decision of a property administrator to transfer the main (undisposed) immovable property shall, within 10 days after it has been taken, be referred for approval to the Government of Georgia. If the Government of Georgia fails to make a decision within 45 days, the requested property shall be considered transferred to the ownership of the applicant.
3. If the property is used by more than one municipality, it shall be transferred to the ownership of the municipality in the territory of which that property is located. The procedures for the use and maintenance of such property shall be determined by an agreement, which shall be signed by the municipalities that use the property.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 114 – Registration of property transferred by the State to the ownership of a municipality

1. Property transferred by the State to the ownership of a municipality shall be registered with the Public Registry, in accordance with the legislation of Georgia, based on an individual administrative-legal act of the property administrator, within 60 days after completion of the procedures determined by Article 113 of this Law.
2. The registration details of the property registered with the Public Registry, the amendments and adjustments to the registration details shall be public and be published in the manner prescribed by the legislation of Georgia.

Chapter XV – Privatisation and Transfer of Municipal Property with the Right to Use

Article 115 – Regulation of the privatisation and transfer of municipal property with the right to use and with the right of management and special cases of determination of the initial price of privatisation

1. The rules for the privatisation and transfer of municipal property with the right to use and with the right of management, as well as the rules for determining the privatisation cost and the initial price of privatisation during the privatisation of property, or the rent cost and the initial rent cost during the transfer of property with the right to use, also the rules of payment, shall be determined by the Government of Georgia in accordance with this Law.
2. When privatising the property of Tbilisi in the form of an auction with conditions, in the cases provided for by an ordinance of the Government of Georgia, the price of the initial privatisation of property may be less than its market price by decision of the Government of Tbilisi made with the approval of the Tbilisi Sakrebulo.
3. The rules determined by paragraphs 1 and 2 of this article shall not apply to the privatisation of interests or shares or to the privatisation of shares represented by certificates directly or through brokers, by public or private offer, on a foreign recognised stock exchange or in any other form of offer that is corresponding to the practice applicable at the time on international capital markets.
4. This Chapter shall not apply to the management, disposal and transfer for use of the property owned by the municipality within the public and private cooperation project under the Law of Georgia on Public and Private Cooperation.

Organic Law of Georgia No 3977 of 8 July 2015 – website, 20.7.2015

Article 116 – Representative of a municipality during the disposal of property

1. When privatising and transferring municipal property with the right to use or with the right of management or when disposing that property in any other manner, the municipality may act through its representative (trustee).
2. When privatising and transferring the property of Tbilisi with the right to use or with the right of management or when disposing of that property in any other manner, also when monitoring the performance of relevant contractual obligations, the Government may act through its representative (trustee), or through a legal entity under public law established by Tbilisi for that purpose.

Article 117 – Purchaser of municipal property

1. When privatising municipal property (except for the privatisation of agricultural land owned by the municipality), the purchaser of the property may be a physical or legal person or an association of such persons in the property of which the participatory interest of the municipality or of the public authorities of Georgia is less than 25%.
2. The purchaser of municipal-owned agricultural land may be a person determined by law.

Article 118 – Forms of privatisation of municipal property

1. Municipal property may be privatised in the form of a public or electronic auction, and the property of Tbilisi may, in addition to the above forms, be privatised in the form of a direct disposal, exchange or competitive selection, except for the cases provided for by paragraphs 2 and 3 of this article.
2. Upon the occurrence of an insured event, in the cases provided for by an insurance contract, the user of municipal-owned property shall transfer movable property into the ownership of the insurer in exchange for reimbursement of the value of that property by the insurer, or in exchange of the transfer of a undamaged property that is identical to the damaged property, under the terms determined by the insurance contract.
3. Immovable property confiscated according to the Code of Administrative Offences of Georgia shall be disposed of in the manner determined by the Sakrebulo.

Article 118¹ – Procedure for the privatisation of the property of Tbilisi

1. A decision to privatise the property of Tbilisi in the form of a direct disposal or direct disposal based on a competitive selection shall be taken by the Government with the consent of the Tbilisi Sakrebulo, in the manner prescribed by this Law and by the Tbilisi Sakrebulo.
2. The property of Tbilisi may be privatised in the form of a direct disposal or a direct disposal based on competitive selection at a charge, conditionally or unconditionally.
3. The Government shall make a decision to privatise immovable property, interest and shares of Tbilisi in the form of a direct

disposal and/or a direct disposal based on competitive selection, and determine the contractual terms only with the consent of the Tbilisi Sakrebulo. The property, interest and shares of Tbilisi shall be privatised in the form of a direct disposal, and/or a direct disposal based on competitive selection through a representative (trustee) designated by the Government, or through a legal entity under public law established by Tbilisi for that purpose, which, on behalf of the Government, shall conclude an agreement within 3 months after the Tbilisi Sakrebulo gives its consent.

4. A decision to privatise movable property of Tbilisi in the form of a direct disposal and/or a direct disposal based on a competitive selection shall be made, and the contractual terms shall be determined by the Government, with the consent of the Tbilisi Sakrebulo. Upon the consent of the Tbilisi Sakrebulo, an agreement shall be concluded, on behalf of the Government, by a representative (trustee) designated by the Government, or by a legal entity under public law established by Tbilisi for this purpose.

5. The Government may, with the consent of the Tbilisi Sakrebulo, transfer the property of Tbilisi into the ownership of a physical person and/or of a legal entity under private law, in exchange for the transfer of any other property into the ownership of Tbilisi (exchange). A decision on that issue shall be made by the Government with the approval of the Tbilisi Sakrebulo. The property of Tbilisi shall be transferred (exchanged) into ownership in exchange for any other property through a representative (trustee) designated by the Government, or through a legal entity under public law established by Tbilisi for that purpose, who, on behalf of the Government, shall conclude an agreement within 3 months after the Tbilisi Sakrebulo gives its consent.

6. The property of Tbilisi shall be transferred with the ownership right through a representative (trustee) designated by the Government, or through a legal entity under public law established by Tbilisi for that purpose, who, on behalf of the Government, shall transfer the property of Tbilisi into ownership.

7. The property of Tbilisi, if privatised, shall be privatised in the form of a public or electronic auction in the manner prescribed by Article 119 of this Law.

8. To perform the privatisation obligations, the purchaser of the property of Tbilisi may not encumber the acquired property with mortgage or lien without the consent of the representative (trustee) designated by the Government, or of the legal entity under public law established by Tbilisi for that purpose.

9. The privatisation of the property of Tbilisi shall be subject to the procedures prescribed by Article 120 of this Law.

Organic Law of Georgia No 3977 of 8 July 2015 – website, 20.7.2015

Article 118² – Special terms of privatisation of municipal-owned immovable property

1. If investment obligations have been prescribed as the term for privatisation of municipal-owned immovable property, during the privatisation of that property in the form of direct disposal, the purchaser shall, from the moment of the consent of the Tbilisi Sakrebulo up to the entering into of an agreement, or in the case of an auction, within a month after the conduct of the auction, provide an unconditional and irrevocable bank guarantee with the value of at least 10% of the investment obligations the validity of which shall be at least 4 months longer than the period of performance of the investment obligations. A decision on reduction of the amount of an unconditional and irrevocable bank guarantee indicated in this paragraph shall be taken, with the consent of a municipality Sakrebulo, by the municipality executive body, and in the case of Tbilisi, by its Government.

2. An unconditional and irrevocable bank guarantee shall, during its validity, ensure the satisfaction of the claim of the liquidated damages assessed as a result of the failure of the purchaser to perform its obligations.

3. In the case of reduction of the amount of an unconditional and irrevocable bank guarantee, the purchaser shall be obliged to restore the amount up to the full amount within a month.

4. If a person disposing of municipal-owned immovable property repudiates an agreement due to the failure of the purchaser to perform the obligations, the amount of the unconditional and irrevocable bank guarantee shall be fully transferred to the relevant budget.

5. If an agreement concluded for the purpose of privatisation of municipal-owned immovable property is unilaterally repudiated due to the violation of the privatisation terms, the privatised property shall be returned to the ownership of the municipality, and the mortgage right(s) of a third person(s) registered on that property shall be annulled, provided that, before encumbering that property, the relevant information on the privatisation obligation(s) is registered in the record of the Public Registry on the immovable property. In addition, the purchaser shall not be reimbursed for the amounts paid and the costs incurred.

Article 119 – Announcing and organising an auction

1. Information on the privatisation of municipal property in the form of a public auction shall, in the case of Tbilisi, be published on the website of the auctioneer – an entity conducting the auction, in local or other printed publications and on the website www.eauction.ge, and in the case of any other municipality, in local or other printed publications and on the website www.eauction.ge.
2. Municipal property may be disposed of in the form of an electronic auction. Information on the privatisation of municipal property in the form of an auction shall be published and the bidding shall take place on the website www.eauction.ge.
- 2¹. Information on the privatisation of the property of Tbilisi in the form of an auction shall be published on the website of the auctioneer and on the website www.eauction.ge, and the bidding shall take place on the website of the auctioneer and/or on the website www.eauction.ge.
3. The purpose of the disposal of municipal property in the form of an auction shall be to grant the right of ownership/right to use to an auction participant who, during the bidding process, offers the highest price to the entity disposing of the municipal property. If an auction is announced with certain conditions, the purpose of the disposal of the municipal property shall be to grant the right of ownership/right to use to an auction participant who assumes the obligation to meet the conditions and offers, during the bidding, the highest price to the entity disposing of the municipal property.
4. To participate in an auction, an interested person shall provide an unconditional and irrevocable bank guarantee of the amount preliminarily determined by the authorised body, or pay a deposit. The freezing of funds available in the bank account of the interested person shall be considered equivalent to the payment of a deposit. These funds shall be transferred to the auctioneer as soon as the owner of the funds wins the auction, or in the case of violation of the procedure and terms of that auction determined by this Law.
5. A person intending to participate in an auction shall submit an application to the auctioneer. By submitting an application, the applicant confirms that he/she has familiarised him/herself with the procedure and terms of the auction. The application shall include information on the participant of the auction, the name of the municipal property, the number and price of the lot, and other information.
6. The results of an auction shall be cancelled if the winner of the auction:
 - a) fails to pay the price within the period determined by this Law;
 - b) refuses to sign a contract of purchase.
7. In cases provided for by paragraph 6 of this article, the amount of the unconditional and irrevocable bank guarantee provided by the winner of the auction shall be transferred in full to the relevant account, and the deposit paid shall not be refunded to the participant of the auction.
8. Except for the cases provided for by paragraph 7 of this article, the amount of the unconditional and irrevocable bank guarantee/deposit shall also be transferred in full to the relevant budget if the participant of the auction has violated the procedure and/or terms of the auction determined by a normative act.
9. If the authorised body annuls the decision taken on the disposal of property, the amount of the deposit paid shall be refunded to the participants in the auction.
10. If the municipal property sold at auction is not disposed of, a decision to dispose of that property at auction with a changed initial price and/or terms shall be considered a repeat auction. The initial price of property during the repeat auction may be reduced up to 50%, and if the property is not sold even at such a reduced price, the price may be further reduced.
11. If the municipal property is not disposed of at auction, the entity disposing of the property may decide to dispose of that property with the same terms in the form of an extended auction.

Article 120 – Conclusion and cancellation of a transaction on the privatisation of municipal property

1. In the case of privatisation of municipal property in the form of an auction, the winning big confirmation report shall be considered to be a promise of the administrative body.
2. A winning bid confirmation report shall include the basic terms for the privatisation of the municipal property and the rights and obligations of the parties. A contract of purchase shall be entered into based on this report.
3. After the full price of the acquired municipal property has been paid, and/or after the conditions of the auction are met, the purchaser of the property shall be given an ownership certificate.
4. The limitation period for filing a claim on any disputable issue relating to the privatised municipal property shall be 3 years.
5. The question of cancellation of a transaction on the privatisation of municipal property shall be decided in the manner stipulated by the legislation of Georgia.
6. When the encumbered property is transferred into the ownership of a person holding the right to claim that property due to the failure to satisfy the secured claim during the conditional transfer of a municipal property into the ownership, or when a municipal property is sold in the manner stipulated by the Civil Code of Georgia (regardless of the form of sale) or the Law of Georgia on Enforcement Proceedings, the privatisation obligations assumed by the purchaser of the property to the municipality, and the relevant contractual rights and obligations shall be fully transferred to a new and each subsequent purchaser, provided that, before encumbering the property, relevant information on the privatisation obligation(s) is registered in the record on that property with the body responsible for registering the claims and rights.
7. When an agreement is unilaterally repudiated due to the violation of the privatisation terms stipulated by the relevant agreement that has been entered into for the purpose of privatisation of a municipal property, the privatised property shall be returned to the ownership of the municipality, and the right(s) of the third person(s) registered on that property shall be annulled, if, before encumbering the above property, relevant information concerning the privatisation obligation(s) is registered in Public Registry in the record on the claims and rights. In addition, the municipality shall not reimburse the purchaser of the property the amount paid and the costs incurred.

Article 121 – Procedure for alienating fixed (undisposed) municipal property

1. Fixed (undisposed) municipal property may be alienated with the consent of a municipality Sakrebulo only if that property has lost its functional purpose.
2. The Mayor of a municipality shall submit substantiated proposals for the alienation of fixed (undisposed) municipal property, along with all necessary documents, to the relevant Sakrebulo.
3. A municipality Sakrebulo shall adopt a resolution with the approval of the Mayor of the municipality on the alienation of the fixed (undisposed) municipal property by at least two thirds of its members on the current list.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 122 – Forms and procedure for transferring municipal property with the right to use

1. When transferring municipal property with the right to use, the following forms stipulated by the Civil Code of Georgia may be used:
 - a) superficies;
 - b) usufruct;

- c) tenancy;
- d) rent;
- e) lending;
- f) any other forms of use provided for in the Civil Code of Georgia.

1¹. This article, except for its paragraph 1, shall not apply to Tbilisi.

2. An agreement on the transfer of a municipal property with the right to use shall be entered into between a municipality executive body and the interested person.

3. A decision of a municipality executive body (an individual administrative-legal act) on the transfer of a municipal property with the right to use shall be equal to the agreement provided for by paragraph 2 of this article once the interested person familiarises him/herself with that decision.

4. Municipal property shall be transferred with the right to use in the form of an auction or by way of direct disposal. A decision on the transfer of municipal property in the form of an auction shall be taken by the municipality executive body. A decision on the gratuitous transfer of municipal property with the right to use by way of a direct disposal shall be taken by a municipality executive body, with the consent of the municipality Sakrebulo.

5. Municipal property may be transferred with the right to use by way of direct disposal, with or without charge, conditionally or unconditionally. Municipal property may be transferred free of charge with the right to use for not longer than 2 years, except for the cases stipulated in paragraph 6 of this article.

6. A municipality executive body may transfer, without an auction, municipal property in the form of free superficies, free usufruct and lending, to public authorities and to the bodies of the autonomous republics, to another municipality, to a legal entity under public law (except for political parties), to a non-entrepreneurial (non-commercial) legal entity established by a municipality/municipalities, to an enterprise in which the municipality/municipalities holds more than 50% of the participatory interest or shares, or to a legal entity under private law established by this legal entity under private law.

7. The user of a municipal property who does not hold a document that certifies the lawful use of that property, and who uses that property for entrepreneurial activities (commercial purposes), shall, according to a written request of the owner of the property or of the owner's representative (trustee), be obliged to pay to the municipal budget the cost of the transfer of the property in the ownership, according to the market price of the property within the period in question (based on an expert opinion/audit report), for the entire period of the use of the property, starting from the moment of registration of the ownership right of the municipality with the Public Registry. The measures prescribed by the legislation of Georgia shall be taken with respect to the above property.

Article 122¹ – Forms and procedure for the transfer of property of Tbilisi with the right to use

1. When transferring property of Tbilisi with the right to use, the forms of use stipulated by Article 122(1) of this Law shall apply.

2. The property of Tbilisi shall be transferred with the right to use in the form of an auction or by way of direct disposal.

3. The property of Tbilisi shall be transferred in the form of an auction through a representative (trustee) designated by the Government, or through a legal entity under public law established by Tbilisi for that purpose, which, on behalf of the Government, shall transfer the property of Tbilisi for use.

4. A decision to transfer property of Tbilisi by way of direct disposal to a legal person under public law established by Tbilisi, to an enterprise operating with a 100% participatory interest of Tbilisi, and/or to a non-entrepreneurial (non-commercial) legal entity under private law established by Tbilisi shall be taken by a representative (trustee) designated by the Government, or by a legal entity under public law established by Tbilisi for that purpose, which shall, on behalf of the Government, transfer the property of Tbilisi for use.

5. A decision to transfer property of Tbilisi with the right to use by way of direct disposal to public authorities and to bodies of the autonomous republics, to any other municipalities, legal entities under public law (except for political parties), to non-entrepreneurial (non-commercial) legal entities established by the State, and to enterprises operating with a 100% participatory interest of the State, as well as to the enterprises of Tbilisi in which the participatory interest of Tbilisi is less than 100%, shall, with the consent of the Government, be made by a representative (trustee) designated by the Government, or by a legal entity under public law established by Tbilisi for that purpose, which shall, on behalf of the Government, transfer the property of Tbilisi for use.

6. A decision to transfer property of Tbilisi to physical and legal persons (except for the legal persons provided for by paragraphs 4 and 5 of this Article) with the right to use by way of direct disposal shall be taken by the Government with the consent of the Tbilisi Sakrebulo. Based on the approval of the Tbilisi Sakrebulo, a representative (trustee) designated by the Government, or a legal entity under public law established by Tbilisi for that purpose, shall, on behalf of the Government, transfer the property of Tbilisi for use.

7. A Government's decision to transfer property of Tbilisi with the right to use (an individual administrative-legal act) shall be equal to an agreement once the interested person familiarises him/herself with it.

8. The property of Tbilisi may be transferred with the right to use by way of direct disposal with or without a charge, conditionally or unconditionally. The property of Tbilisi may be transferred with the right to use free of charge for not longer than a 2-year term, except for the cases stipulated by paragraph 9 of this article.

9. The property of Tbilisi may, in the manner prescribed by paragraphs 1 and 4-7 of this article, be transferred in the form of free superficies, free usufruct or lending, with the right to use, by way of direct disposal to public authorities and to bodies of the autonomous republics, to legal entities under public law (except for political parties), the non-entrepreneurial (non-commercial) legal entities established by a municipality and to an enterprise operating with a 100% participatory interest of a municipality, as well as to physical persons and/or to a legal entity under private law on the conditions of carrying out investments in the property, and of bearing the costs.

10. A user of the property of Tbilisi who does not hold a document certifying the lawful use of that property, and who uses the property for entrepreneurial activities (commercial purposes), shall, according to a written request of a representative (trustee) of the owner of the property, or of the legal entity under public law established by Tbilisi for that purpose, pay to the budget of Tbilisi the cost of the transfer of the property for use, according to the market price of the property at the given time (based on an expert/audit report), for the entire period of the use of the property starting from the registration of the ownership right of Tbilisi with the Public Registry. The measures stipulated by the legislation of Georgia shall be taken with respect to the above property.

Article 123 – Transfer of property with the right to use to a municipality for the exercise of delegated powers

1. The State shall transfer to the ownership of a municipality property that the municipality needs for exercising its delegated powers. The property that is to be transferred with a right to use shall be determined and the right to use shall be granted according to this Law and the agreement on the delegated powers.

2. The property transferred to a municipality for exercising its delegated powers shall remain in the ownership of the State.

3. The terms for the use of the property transferred to a municipality shall be determined by an agreement on the transfer of property with the right to use.

Article 124 – Municipal-owned intangible assets

Municipal-owned intangible assets shall include interests and shares, as well as all the claims and rights that may be transferred to another person or that are intended to create a material good for their owner, and/or for authorising the owner to claim anything from any other person.

Article 125 – Forms of disposal of interests and shares

The forms of disposal of interest and shares include:

- a) the privatisation of interests and shares;
- b) the transfer of interests and shares with the right of management.

Article 126 – Types of an auction of interests and shares

There are two types of auction of interests and shares: unconditional and conditional.

Article 126¹ – The procedure for privatisation of Tbilisi-owned interests or shares or of shares represented by certificates, directly or through brokers, through public or private offer, in any other form of offer that is corresponding to the practice applicable on a foreign recognised stock exchange, or on international capital markets at the given moment

1. The privatisation of Tbilisi-owned interests or shares or of shares represented by certificates, directly or through brokers, through public or private offer, in any other form of offer that corresponds to the practices applicable on a foreign recognised stock exchange or on international capital markets at the given moment shall be conducted by the Government, with the consent of the Tbilisi Sakrebulo.
2. The Government shall determine the time suitable for the privatisation of Tbilisi-owned interests or shares or shares represented by certificates directly or through brokers, through public or private offer, in any other form of offer that corresponds to the practices applicable on a foreign recognised stock exchange, or on international capital markets at the given time, and shall draft relevant documents, and also carry out other actions provided for by the legislation of Georgia.
3. A substantiated proposal of the Government that includes the general terms for the privatisation of Tbilisi-owned interests or shares or shares represented by certificates, including the form, time limits and other essential terms of privatisation, shall, along with draft documents, be submitted for approval to the Tbilisi Sakrebulo.
4. The Government, based on the consent of the Tbilisi Sakrebulo, shall make a decision to privatise the interests or shares or shares represented by certificates directly or through mediators, through public or private offer, in any other form of offer that corresponds to the practices applicable on the foreign recognised stock exchange, or on international capital markets at the given time.
5. When making the decision referred to in paragraph 1 of this article, the Government shall prescribe specific terms for privatisation, including:
 - a) the quantitative or percentage indicators of the interests or shares subject to privatisation, or the maximum and/or minimum limit(s) of that indicator;
 - b) the price of privatisation of interests or shares or of the shares represented by certificates (in the case of public offer – the initial price of privatisation) and procedure and terms of payment;
 - c) according to the schedule, the key time frames required for the completion of privatisation, for entering into relevant agreements, other terms for the acquisition of ownership rights of interests and shares or of shares represented by certificates, based on which, the Government will offer the interests or shares or shares represented by certificates directly or through mediators, through public or private offer, in any other form that corresponds to the practices applicable on a foreign recognised stock exchange, or on international capital markets at the given time and will carry out the related actions.
6. When making a decision to privatise shares represented by certificates, the Government may, by a decree, impose any restrictions or obligations (including the obligation to inform the public in advance of the issues referred to in the Governmental decree) relating to the voting or other rights connected with the shares represented by certificates.

7. In the case of privatisation of Tbilisi-owned interests or shares or shares represented by certificates, directly or through mediators, through public or private offer, in any other form of offer that is corresponding to the practice applicable on the foreign recognised stock exchanges, or on international capital markets at the given time, the body conducting the privatisation shall enter into relevant agreement(s), the price of privatisation shall be paid and the ownership right for the interests and shares or shares represented by certificates shall be transferred in the manner and within the period determined by the decree of the Government.

Article 127 – Transfer of municipality-owned interests and shares with the right of management

1. Municipality-owned interests and shares shall be transferred with the right of management in the form of an auction, and in the case of Tbilisi, in the form of an auction, direct disposal or a direct disposal based on competitive selection.

2. The interests and shares owned by Tbilisi shall be transferred with the right of management in the form of an auction, through a representative (trustee) designated by the Government, or through a legal entity under public law established by Tbilisi for that purpose, which, on behalf of the Government, shall transfer, at auction, the interests and shares of Tbilisi with the right of management.

3. A decision on the transfer, with the right of management, of the interests and shares of Tbilisi by way of direct disposal to a legal person under public law established by Tbilisi, to an enterprise operating with a 100% participatory interest of Tbilisi, and/or to a non-entrepreneurial (non-commercial) legal entity under private law established by Tbilisi, shall be taken by a representative (trustee) designated by the Government, or by a legal entity under public law established by Tbilisi for that purpose, which shall, on behalf of the Government, transfer, by way of direct disposal, the interests and shares of Tbilisi with the right of management.

4. A decision to transfer, with the right of management, the interests and shares of Tbilisi by way of direct disposal to public authorities and to bodies of the autonomous republics, to other municipalities, to legal entities under public law (except for political parties), to non-entrepreneurial (non-commercial) legal entities established by the State, and/or to enterprises operating with a 100% participatory interest of the State, as well as to the enterprises of Tbilisi in which Tbilisi holds less than 100% participatory interest, shall, with the consent of the Government, be taken by a representative (trustee) designated by the Government, or by a legal entity under public law established by Tbilisi for that purpose, which shall, on behalf of the Government, transfer the interests and shares with the right of management.

5. A decision to transfer the interests and shares owned by Tbilisi to physical persons and legal entities (except for the legal entities provided for by paragraphs 3 and 4 of this Article) with the right of management, by way of direct disposal, shall be taken by the government, which shall submit the decision for approval to the Tbilisi Sakrebulo. Upon the consent of the Tbilisi Sakrebulo, a representative (trustee) designated by the Government, or the legal entity under public law established by Tbilisi for that purpose, shall, on behalf of the Government, transfer the interests and shares with the right of management.

Article 127¹ – Disposal of the municipal-owned claims and rights

1. The municipal-owned claims and rights shall be privatised in the form of an auction, and in the case of Tbilisi, in the form of an auction, in the form of a direct sale or a direct sale based on competitive selection.

2. Claims and rights owned by Tbilisi shall be privatised in the form of direct sale or a direct sale based on competitive selection, in the manner prescribed by Article 118¹(3) of this Law.

3. When privatising claims and rights owned by Tbilisi, special conditions stipulated by Article 118² of this Law shall apply.

4. When privatising claims and rights owned by Tbilisi in the form of an auction, a representative (trustee) of the municipality or the legal entity under public law established by Tbilisi for that purpose, may issue, in writing and/or electronically, a confirmation of winning the auction.

5. In the case of a conditional transfer of municipal-owned claims and rights, the purchaser of the property may not encumber the acquired claims and rights with a lien without the consent of the executive body of the municipality, or of the representative

(trustee) of the municipality, and in the case of Tbilisi, without the approval of the representative (trustee) of Tbilisi, or of the legal entity under public law established for that purpose by Tbilisi.

6. Article 120(6-7) of this Law shall apply to the conditional transfer of municipal-owned claims and rights into the ownership, taking into consideration its specificities.

Organic Law of Georgia No 3977 of 8 July 2015 – website, 20.7.2015

Article 127² – Changing or cancelling, at the request of the purchaser or recipient, condition(s) relating to the privatised property of Tbilisi, or to the property of Tbilisi transferred with a right to use or with a right of management

1. A purchaser of Tbilisi-owned property or a recipient of the the right to use or manage the property of Tbilisi, may apply to the Government with a reasonable request to change or cancel the condition(s) of privatisation, or of the condition(s) of transfer of property for use or management.

2. The Government shall review the application, and taking into consideration public and private interests, shall, in the case of reasonable necessity, submit to the Tbilisi Sakrebulo for decision the proposal for the change or cancellation of a condition(s) (except for the financial and investment condition(s)) relating to the privatised property of Tbilisi or to the property transferred with the right of use or management.

3. The Government shall submit to Tbilisi Sakrebulo for decision a proposal to change or cancel an investment condition or a proposal for the change of a financial condition associated with the property of Tbilisi that has been privatised or transferred with the right of use or management by way of direct disposal.

Article 128 – Amounts received from the disposal of municipal property

The authorised body shall transfer funds received from the disposal of municipal property to the relevant municipal budget.

Section VI

STATE SUPERVISION AND AUDIT OF THE ACTIVITIES OF MUNICIPAL BODIES

DIRECT STATE GOVERNANCE

Chapter XVI – State Supervision of the Activities of Municipal Bodies

Article 129 – Concept and types of state supervision

1. State supervision is an activity carried out by executive authorities that is intended to ensure the lawfulness of the activities of municipal bodies, and proper exercise of delegated powers.

2. Types of state supervision are: legal supervision and sectoral supervision.

3. Legal supervision shall be exercised to ensure compliance of normative administrative-legal acts of a municipality Sakrebulo with the legislation of Georgia.

4. Sectoral supervision shall ensure the lawful and proper exercise of delegated powers by a municipality.

Article 130 – Bodies of legal supervision and sectoral supervision

1. Legal supervision over the activities of municipal bodies shall be exercised by the Prime Minister of Georgia.
2. The body responsible for supervising the exercise by a municipality of the powers delegated to it shall be the relevant ministry/the special-purpose state institution powers of which were delegated in accordance with the law or an agreement entered into based on the legislation of Georgia.
3. The body responsible for exercising state supervision over the activities of municipal bodies in the Ajara Autonomous Republic shall be determined by an ordinance of the Government of Georgia.

Organic Law of Georgia No 1718 of 7 December 2017 – website, 14.12.2017

Article 131 – Procedure and principle for exercising state supervision

1. State supervision shall be exercised in the manner and within the scope prescribed by the Constitution of Georgia, the European Charter of Local Self-Government and this Law. No other normative act of Georgia may determine any other procedure or scope for exercising state supervision.
2. State supervision shall be exercised in compliance with the principle of proportionality.
3. The damage caused to a municipality as a result of state supervision measures taken in violation of the principle of proportionality shall be indemnified in the manner prescribed by the legislation of Georgia.

Article 132 – Legal supervision

1. Legal supervision shall be exercised with respect to a normative administrative-legal act adopted by a municipality Sakrebulo.
2. The Government of Georgia may, by a normative act, determine a list of normative administrative-legal acts that may be adopted by a municipality Sakrebulo within the scope of the municipality's own powers and that are not subject to legal supervision.
3. The legal supervision authority shall conduct an expert assessment of a normative administrative-legal act published in the Legislative Herald of Georgia, and submit the legal opinion to the body adopting that act. The legal supervision authority shall draft a legal opinion and submit it to a municipality Sakrebulo not later than 15 days after the publication of the relevant normative administrative-legal act. The legal opinion of the legal supervision authority shall indicate the provisions that the normative administrative-legal act adopted by a municipality Sakrebulo contravenes. A legal opinion shall not be an administrative-legal act and no administrative proceedings stipulated by the General Administrative Code of Georgia shall apply to it.
4. An expert assessment of a normative administrative-legal act adopted by a municipality Sakrebulo within the scope of the municipality's delegated powers shall be conducted in coordination with sectoral supervision authority. The legal supervision authority shall submit a normative administrative-legal act adopted by a municipality Sakrebulo within the scope of the municipality's delegated power, or part of that act that regulates issues relating to the exercise of the delegated powers, to the relevant sectoral supervision authority within 3 working days after its receipt, so that the latter can provide its comments on the lawfulness of the act. The sectoral supervision authority shall provide its opinion not later than 5 working days after receiving the relevant application. Otherwise, the legal supervision authority shall be entitled to provide a legal opinion. A final decision on the contents of the legal opinion shall be taken by the legal supervision authority.
5. In the case of a negative legal opinion, a municipality Sakrebulo shall, within 15 working days after receiving the opinion, send to the legal supervision authority a reasoned written refusal or a normative administrative-legal act amending or repealing the given normative administrative-legal act.
6. If the legal opinion provided for by paragraph 5 of this article is not taken into consideration by a municipality Sakrebulo, or in the case of a reasoned written refusal, the legal supervision authority may, after the relevant time limit expires, or not later than 1!

working days after receiving a reasoned written response, apply to a court requesting annulment of the normative administrative-legal act.

7. The legal supervision body shall be entitled to take into consideration and recognise as satisfactory the reasoned written refusal of a municipality Sakrebulo submitted according to paragraph 5 of this article.

8. If a normative administrative-legal act of a municipality Sakrebulo contravenes the provisions of the Constitution of Georgia, or causes substantial and irreversible damage to citizen Constitutional rights and freedoms, the legal supervision body may, without adhering to the time limits prescribed by paragraph 5 of this article, immediately apply to a court for annulment of the normative administrative-legal act.

9. A municipality may appeal a court decision on the annulment of a normative administrative-legal act or part of it to a court of higher instance in the manner provided for by law.

Article 133 – Sectoral supervision

1. Sectoral supervision shall be exercised over individual administrative-legal acts adopted/issued within the scope of delegated powers by a municipal body/official, and over the actions of a municipal body.

2. When performing state supervision over the exercise of delegated powers, the sectoral supervision authority may:

a) request documents or information;

a¹) issue recommendatory instructions;

b) suspend or annul an individual administrative-legal act of a municipal body/official;

c) substitute the local self-government.

Organic Law of Georgia No 3605 of 8 May 2015 – website, 15.5.2015

Article 134 – Requesting documents and information

1. The state supervision authority may request from a municipal body/official any official document and information required for the exercise of state supervision, including legal acts and administrative proceeding materials.

2. A municipality shall be obliged to submit the requested documents and information to the state supervision authority within not later than 10 working days.

Article 134¹ – Recommendatory instructions

1. The sectoral supervision authority shall be entitled to provide recommendatory instructions to a municipality so that the municipality can properly exercise the delegated powers.

2. The recommendatory instructions shall not restrict the right of a municipality to ensure the exercise of the delegated powers taking into consideration local conditions.

Organic Law of Georgia No 3605 of 8 May 2015 – website, 15.5.2015

Article 135 – Suspension and annulment of an administrative-legal act

1. The sectoral supervision authority shall be entitled to examine the legality and appropriateness of an individual administrative-

legal act adopted/issued by a municipal body/official within the delegated powers and requested under Article 134 of this Law, and provide binding instructions to the municipality.

2. In order to ensure the proper exercise of delegated powers, an individual administrative-legal act of a municipal body/official may be annulled on the grounds of inappropriateness if it does not comply with the instructions of the state supervision authority. A decision on the annulment of an act on the grounds of inappropriateness shall be substantiated.

3. If a municipality does not follow the instructions of the state supervision authority within 15 working days after their receipt, the state supervision authority shall annul the individual administrative-legal act adopted/issued within the scope of the delegated powers by the municipal body/official.

4. If an individual administrative-legal of a municipal body/official contravenes the provisions of the Constitution of Georgia, substantially and irreversibly damages citizen Constitutional rights and freedoms, or leads to irrational use and misuse of the public property and budgetary resources, the sectoral supervision authority shall be entitled to immediately suspend the relevant individual administrative-legal act without issuing binding instructions.

5. Within 10 work days after the suspension of an individual administrative-legal act, a municipal body/official shall send to the state supervision authority a reasoned written refusal or an adopted/issued individual administrative-legal act amending or annulling the individual administrative-legal act.

6. After the time limits prescribed by paragraph 5 expire, the relevant state supervisory body shall annul an individual administrative-legal act, or annul its decision on the suspension.

7. It shall be prohibited to annul, by way of state supervision, an individual administrative-legal act of a municipal body/official that has been adopted/issued to regulate labour legal relations based on the Law of Georgia on Public Service or the Organic Law of Georgia on the Labour Code of Georgia.

8. A municipality may appeal the legality of a decision of the state supervision authority on the annulment of an individual administrative-legal act or part of it to a court, in the manner prescribed by the legislation of Georgia.

9. Supervision, under this article, over the lawfulness and appropriateness of an individual administrative-legal act adopted/issued by a municipal body/official within the delegated powers shall be exercised only under the relevant legislative act of Georgia on the delegation of powers, or by the relevant law of an autonomous republic, or in cases provided for by the agreement referred to in Article 17(3) of this Law.

Organic Law of Georgia No 4087 of 22 July 2015 – website, 4.8.2015

Article 136 – Substitution of local self-government

1. If a municipality Sakrebulo does not perform the statutory obligation to adopt a normative administrative-legal act within the scope of its delegated powers, the sectoral supervision authority shall be entitled to give the Sakrebulo binding instructions on the performance of the above obligation.

2. A municipality Sakrebulo shall be obliged to fulfil the instructions of the state supervision authority within 30 days after their receipt.

3. If, within the time limits prescribed by paragraph 2 of this article, a municipality Sakrebulo fails to fulfil the instructions of the state supervision authority, the latter shall issue a relevant normative administrative-legal act that shall be valid until the municipality Sakrebulo adopts an appropriate normative administrative-legal act.

4. If the relevant municipal body improperly performs or fails to perform the powers delegated to the municipality under this Law the relevant state supervision authority may request that municipal body to perform this obligation, give it mandatory instructions and allow a reasonable period of at least 15 working days for remedying the situation. These time limits may be extended by a reasoned request of the relevant body of the municipality, with the approval of the relevant state supervision authority.

5. A municipal body/official shall, according to the request of the state supervision body, periodically provide information on the measures taken.

6. If, in order to remedy the situation, the sectoral supervision body, after the expiration of the period determined by paragraph 4

of this article, determines that the municipality continues taking improper measures, or does not take them at all, or the situation cannot be remedied, the sectoral supervision authority shall be entitled to propose to the Government of Georgia to substitute the local self-government. A decision on the substitution of the local self-government in the relevant municipality shall be made, by an ordinance, by the Government of Georgia. The ordinance of the Government of Georgia shall determine a provisional procedure for the exercise of relevant delegated powers during the substitution of the local self-government, including the duration of the substitution, the administrative body/official responsible for the exercise of the relevant delegated powers, as well as any other measures required for the exercise of the delegated powers. The costs associated with the substitution of the local self-government shall be borne by the relevant municipality. The costs shall be reimbursed by deducting them from the amount of the targeted transfer. Local self-government may not be substituted under this paragraph if the requirement of Article 17(2) has been violated.

7. Local self-government substitution may be used only once, or as a provisional measure, for not more than a year. It shall be prohibited to substitute local self-government during the first and last 6 months of office of a municipality Sakrebulo.

8. A municipality may appeal to a court the lawfulness of the relevant decision on the substitution of the local self-government.

Organic Law of Georgia No 4087 of 22 July 2015 – website, 4.8.2015

Article 137 – Legal consultation

1. A municipality Sakrebulo may apply in writing to the legal supervisory authority for legal consultation.

[1¹. The following shall be subject to the compulsory legal consultation:

a) drafts of multi-municipal/municipal spatial planning schemes;

b) drafts of master plans. *(Shall become effective from 3 June 2019)*

2. The written application for legal consultation shall be accompanied by a draft normative administrative-legal act and an explanatory note.

3. Within 15 days after receiving a written application, the legal supervisory authority shall prepare and send to the municipality Sakrebulo a legal opinion on the lawfulness of the draft normative administrative-legal act that is to be adopted. If a legal deficiency is found in a draft normative administrative-legal act, the legal opinion shall include the name of the normative act that the draft contravenes, as well as recommendations for the elimination of the legal deficiencies.

4. A legal opinion of the legal supervision body shall be recommendatory in nature.

Organic Law of Georgia No 3242 of 20 July 2018 – website, 13.8.2018

Article 138 – Publicity of the activities of the state supervision authority

1. Before 1 February every year, the state supervision authority shall be obliged to draft and publish in the Legislative Herald of Georgia an official report on the work performed during the calendar year in the area of supervision.

2. The official report of the state supervision authority shall include statistical information on the draft normative acts submitted for consultation to the relevant supervision authority, on the individual administrative-legal acts requested by it, a full list of the administrative-legal acts suspended, appealed and annulled during the supervision, also information on the decisions delivered by a court with regard to the appeals of the state supervision authority. The procedure and form of drafting an official report of the state supervision authority shall be approved by the Government of Georgia.

3. Within 15 days after drafting an official report, the state supervision authority shall be obliged to submit it to the Government of Georgia and the Parliament of Georgia.

Organic Law of Georgia No 4087 of 22 July 2015 – website, 4.8.2015

Article 139 – Ensuring the lawfulness and efficiency of the activities of municipal bodies

To ensure the lawfulness and efficiency of the activities of municipal bodies, the following shall be performed under the legislation of Georgia:

- a) a state audit;
- b) an independent audit;
- c) an internal audit.

Article 140 – State audit, independent audit and internal audit of the activities of municipal bodies

1. A state audit of the activities of municipal bodies shall be carried out by the State Audit Service within the scope of powers determined by the Law of Georgia on the State Audit Service.

[1. The state audit of the activity of municipal bodies shall be carried out by the State Audit Service within the powers established by the Organic Law of Georgia on the State Audit Service. *(Shall become effective upon taking the oath by the President of Georgia elected in the next Presidential elections of Georgia)*]

2. By decision of a municipality Sakrebulo, an auditor invited under the legislation of Georgia, shall, not more than once in a year, carry out an independent audit of the activities of municipal bodies. A Sakrebulo shall carry out an independent audit at the request of at least one third of the members on the current list. A report and opinion of an independent auditor shall be submitted to the Sakrebulo, to the State Audit Service and shall be published.

3. An internal audit of the activities of the executive body of a municipality and of the City Hall shall be carried out according to the Law of Georgia on the Public Internal Financial Control and the statute of the City Hall. The subjects responsible for carrying out internal audits shall be designated by the Sakrebulo under the statute of the City Hall.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 141 – Dismissal of a Sakrebulo and suspension of its activities

1. A Sakrebulo shall be dismissed or its activities shall be suspended in cases provided for by Article 73(1)(j) of the Constitution of Georgia if the actions of the representative body endanger the sovereignty, territorial integrity of the state or the exercise of the Constitutional powers by public authorities.

2. The President of Georgia shall, upon recommendation of the Government of Georgia and with the consent of the Parliament of Georgia, issue a decree dismissing a Sakrebulo or suspending its activities.

3. Dismissal of a Sakrebulo or suspension of its activities shall respectively result in termination or suspension of powers of the

Mayor.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 142 – Premature termination of powers of a Sakrebulo and of the Mayor

1. The powers of Sakrebulo shall be terminated prematurely if:

- a) the number of Sakrebulo members is reduced by more than half;
- b) within 3 months after the beginning of a new budgetary year, the Sakrebulo fails to approve the municipal budget that has been drafted in the manner prescribed by the legislation of Georgia;
- c) the Sakrebulo fails to meet for 6 consecutive months.

2. Powers of a Mayor shall be prematurely terminated in the case provided for in paragraph 1(b) of this article. The Government of Georgia shall, by an ordinance, make a decision on the early termination of the powers of a Sakrebulo or the Mayor.

Organic Law of Georgia No 1251 of 26 July 2017 – website, 29.7.2017

Article 143 – Introduction of direct state governance

1. A decision to introduce direct state governance shall be made by the Government of Georgia.

2. Direct state governance shall be exercised by a trustee appointed by the Government or a collegiate body – the ad hoc administration, or an official authorised under this Law.

3. The grounds for the introduction of direct state governance shall be:

- a) dismissal of the Sakrebulo or suspension of its activities;
- b) early termination of the powers of the Sakrebulo in cases stipulated by Article 142(1) of this Law.

4. When introducing direct state governance, a municipal budget shall be approved, by an ordinance, by the Government of Georgia upon the recommendation of the official/body exercising direct state governance.

Article 144 – Exercising direct state governance

1. When a Sakrebulo is dismissed or its operation is suspended, direct state governance shall be exercised by a trustee of the Government appointed by the Government of Georgia, or by a collegiate body – the ad hoc administration.

2. Upon early termination of the powers of a Sakrebulo based on Article 142(1)(a and c) of this Law, direct state governance shall be exercised by the current Mayor, and in the case provided for by Article 142(1)(b) of this Law, when the powers of the Mayor are terminated, the Government of Georgia shall task the current Mayor with the exercise of the powers of the trustee of the Government until the election of a new Mayor.

3. The official/body exercising direct state governance, shall exercise the municipality's own and delegated powers. The additional powers of this official/body and the procedure for exercising direct state governance shall be determined by the relevant statute that is approved by the Government of Georgia by an ordinance. The exercise of direct state governance shall, in the manner prescribed by an ordinance of the Government of Georgia, be supervised by the Government of Georgia or by the ministry authorised by the Government of Georgia.

4. The lawfulness of the decisions on the dismissal, suspension and early termination of the powers of municipal bodies may be appealed to a court according to the legislation of Georgia.

5. The decisions provided for by paragraph 4 of this article may be appealed by at least a quarter of the members of a Sakrebulo that has been dismissed, or the powers of which have been suspended or terminated, or by the Mayor of the respective municipality.
